

THERMANS-2026

26-28 November 2026

Goa University, Goa, India

Website: www.itasindia.org/thermans2026

The 25th Biennial DAE-BRNS Symposium on Thermal Analysis (THERMANS-2026), sponsored by the Department of Atomic Energy (DAE) - Board of Research in Nuclear Sciences (BRNS), is being organized by Bhabha Atomic Research Centre (BARC) in association with the Indian Thermal Analysis Society (ITAS) during 26–28 November 2026 at Goa University, Goa. The symposium will encompass recent developments and applications of thermal analysis in diverse fields, including nuclear materials, structural materials, metals, minerals, polymers, soft materials, and nanomaterials. In addition, recent advances in computational approaches and instrumentation related to thermal analysis techniques will be deliberated upon. THERMANS-2026 will provide an excellent platform for scientists, researchers, academicians, and industry professionals to exchange ideas and foster collaborations in the broad area of thermal analysis. To commemorate the Golden Jubilee Year of ITAS (2026–2027), a special half-day thematic session titled “Role of Thermal Analysis in the Progress of Science” will be organized as part of the symposium.

Y. K. Bhardwaj, BARC, Mumbai

Convener

SCOPE OF THE SYMPOSIUM

- Thermal Analysis and Thermodynamic Properties of Nuclear Materials
- Thermal Analysis of Structural Materials, Metals and Minerals
- Thermal Analysis of Green Energy Materials
- Thermal Investigation in Synthesis and Kinetic Studies
- Thermal Investigation of Polymers and Soft Materials
- Thermal Analysis of Nano Materials
- Computational Methods and Instrumentation in Thermal Analysis

IMPORTANT DATES

Last Date for Submission of Abstract : 15 August, 2026
Acceptance Notification : 31 August, 2026
Last Date of Registration : 15 September, 2026
